

3 INGREDIENT SIDEWALK CHALK PAINT

This activity gets your kids outside, being creative, doing science, and using fine motor skills! The sidewalk art you create together is sure to bring a little joy to your neighbors, too.

WHAT YOU'LL — Need —

½ Cup cornstarch

½ Cup water

Food coloring

Paint brushes

Muffin tin, cups, or other
containers to hold the paints

— INSTRUCTIONS —

1

Mix together the cornstarch and water until the cornstarch is dissolved.

2

Divide the mixture into the cups of the muffin tin.

3

Stir in the food coloring.

Keep in mind that the colors will dry in lighter shades when they're on the sidewalk than they appear in the tin!
