

Chuck & Pepper Explore their Winter Wonderland

BUNDLE UP! IT'S SNOW TIME.

Join Chuck & Pepper as they explore the winter wonderland in their own backyard.

ACTIVITIES TO TRY

- Look for tracks in the snow and follow where they go!
- Do a snow dance! Jump, stomp, twirl, clap, crawl, run and move in whatever way feels fun.
- Roll and pack the biggest snowball you can, sit on top of it, and describe everything you can see from way up there.
- Build snow sculpture friends for Chuck & Pepper! Can you build a bison? Or a pronghorn?
- Make a birdfeeder using a toilet paper roll, peanut butter, and bird seed, and hang it in a tree!
