

Chuck & Pepper's SUMMER BUCKET LIST

Summer's here – it's time to explore.
Here's what Chuck & Pepper want to do,
you should join in, too!

Visit a new park and pretend to be explorers who want to discover something that has never been seen before.

Have a splash day with water balloons, hoses, buckets of water, or by playing in the sprinkler.

Visit the library to read books about cowboys and the wild west.

Go camping in the backyard or in the living room and pretend to be in Yellowstone or Grand Teton National Park.

Take a nature walk and draw pictures of flowers, bugs, animals, rocks, and trees along the way.

Have a picnic of summer fruits and veggies, like blackberries, blueberries, strawberries, and tomatoes; corn, carrots, cucumbers, and leafy greens.
